

## Technical Visit - Hong Kong Movie City

We would like to invite you to participate in the above technical visit on 08 Nov 2008.

**Gathering:** 9:00 am, Tseung Kwan O Station, B1 Exit  
**Dismissal:** Hong Kong Movie City  
**Date:** Saturday, 08 Nov 2008  
**Time:** 9:15 am – 11:00 am

### Activities Highlight:

The Hong Kong Movie City is one of the most technological advanced studios in the world. With its state-of-the-art noise control technologies, it is able to meet the most stringent noise criteria. The Hong Kong Movie City features one of the largest, fully air-conditioned and sound and vibration-insulated soundstages.

The structure of the all soundstages (including the largest soundstage of 20,000 square feet) is supported by 6Hz rubber isolators with lateral stiffening devices. Visitors can also seize the rare opportunity to get into the basement below the building structure to look at the arrangement of individual isolators.

### Registration:

The technical visit is free of charge. Visitors are required to pay their transportation fee. Transportation from Tseung Kwan O Station to HK Movie City is around HK\$20 for 4 to 5 persons by taxi single way.

For registration, please send a blank e-mail to: [reg16@wal.hk](mailto:reg16@wal.hk) on a first come first served basis. You may type your Membership No. at the title of the blank e-mail for our easy administration. Enquiries please send to the undersigned at: [who@wal.hk](mailto:who@wal.hk). Successful applicants would be confirmed by email 2 working days before the visit.
