Hong Kong Institute of Acoustics

---

**Building Acoustics – Seminar 4:  
Building Acoustics - Assessment Based on  
Green Building Labelling tools**

(Jointly Organised by HKIOA, HKIE Building Services Division, REFM Department of IVE (Morrison Hill) and BSE Department of Hong Kong Polytechnic University)

Speaker: Ir Prof Daniel CHAN and Ir Nelson YK TAM  
Venue: Jockey Club Lecture Theatre  
IVE (Morrison Hill), 6 Oi Kwan Road, Wan Chai, Hong Kong  
Date: 18 November 2010 (Thursday)  
Time: 6:45 – 8:00 pm (registration starts at 6:30 pm)

**Background of the speakers:**

Ir Prof Daniel CHAN, apart from having many professional qualifications and carrying out professional and community services, was the Chairman of Institute of Acoustics (HK Branch) in 1993 and was the Founding Fellow of Hong Kong Institute of Acoustics in 1994. He has over 30 years of experience in design, construction and project management of electrical/mechanical services and environmental related projects. He is the Managing Director of Daniel Chan & Associates Ltd.

Ir Nelson YK TAM is the Environmental Manager of Daniel Chan & Associates Ltd. Apart from being members of various professional bodies, Ir TAM was the executive committee member of HKIOA from 1998 to 2000. He has over 20 years in environmental engineering.

Both Ir Prof CHAN and Ir TAM were involved in the development of BEAM Plus and have experience with LEED certified projects.

**Program highlight:**

The seminar will cover an overview of BEAM Plus, the BEAM Plus requirements for Pre-requisites and new credits with particular focus on the acoustics related credits and requirements. Experience on LEED project will be shared with Acoustics emphasis.

**Registration:**

The Seminar is free of charge to members of HKIOA and HKIE, and students/staff of Dept of Real Estate and Facilities Management, IVE (Morrison Hill) and Dept of Building Services Engineering, Hong Kong Polytechnic University, but non-members will be charged at HK\$100 per head to cover administrative costs. For registration, please fill in and submit the form at <http://wal.hk/hkioa/building4.html>. First-come-first-served.

Ir Dr CM Mak and Ir YN Au Yeung  
Chairmen of Building Acoustics Sub-committee, HKIOA  
14 October 2010
